Before we begin, here's a question...

Which is real & which is AI?

A

B

Both are AI!

Generated by me last night 😊

**And...I'm here to share the secret to
generating such stunning images with AI**

Today, we'll cover Tools & Techniques for:

- **Realistic Image Generation (any subject)**
- **Product Photography**
- **Branding & Logo Design**
- **Image Editing**
 - **Cleanup**
 - **Text removal**
 - **Background Removal**
 - **Relighting**
 - **Uncropping**

Let's get to the real stuff!
